The Data

This information is based on applications, acceptances and students who have confirmed their intention to enroll as of August 6, 2014. This provides a "snapshot" of the freshman class entering the fall semester. Final profile information after the fall census date may vary slightly. Class rank, grade point average and standardized test scores are only a starting point for admissions decisions.

*Follows IPEDS guidelines for reporting admissions test scores, calculating ranges and averages based only on the scores used in the admissions decision in cases where students submit scores from multiple tests.

Dual Enrollment

High school students lead busy lives inside and outside of the classroom, yet many students find the time to enroll at local community colleges and universities while still enrolled in high school. For 2014, 800 incoming freshmen indicated that they took college courses during high school. On average, they took 21.2 college credit hours.

Advanced Placement Exams

NC State continues to see an increase in the number of AP exam scores submitted each year. This year, 72% of first-year students submitted, on average, 5.10 AP scores. Overall, 16,142 scores were submitted including 3,243 scores of a 5.

Total Number of AP Scores Submitted (as of August 6)

Exam with over 100 scores	Fall 2014	Fall 2013
Biology	777	740
