

The Data

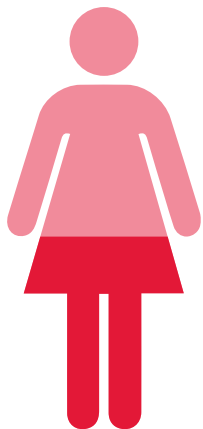

This information is based on applications, acceptances and students who have confirmed their intention to enroll as of August 19, 2016. This provides a "snapshot" of the freshman class entering the fall semester. Final profile information after the fall census date may vary slightly. Class rank, grade point average and standardized test scores are only a starting point for admissions decisions.

Academic Achievement of Enrolling Students

We continue to enroll an academically competitive class. There is no question that NC State's 2016 freshman class is prepared for success at NC State. An overwhelming majority of the 4,237 incoming students are ranked in the top 20% of their high school class. The freshman class represents 94 of North Carolina's 100 counties, 41 of the 50 states and 36 countries.

*Follows IPEDS guidelines for reporting admissions test scores, calculating ranges and averages based only on the scores used in the admissions decision in cases where students submit scores from multiple tests.

Dual Enrollment

High school students lead busy lives inside and outside of the classroom, yet many students find the time to enroll at local community colleges and universities while still enrolled in high school. For 2016, 1,091 incoming freshmen indicated that they took college courses during high school. On average, they took 19.5 college credit hours.

Advanced Placement Exams

NC State continues to see an increase in the number of AP exam scores submitted each year. This year, 71% of first-year students submitted, on average, 5.37 AP scores. Overall, 16,042 scores were submitted including 3,000 scores of a 5.
