Every Student Must...

☐ Confirm Your Enrollment

We can't wait for you to come to campus and start enjoying the Wolfpack life!

Log into your wolfPAW account to respond to our offer of admission under your To-Do List. The deadline to confirm our acceptance is:

> **Fall Semester:** May 1 or within 10 days of receipt of your acceptance

> **Spring Semester:** December 1 or within 10 days of receipt of your acceptance

> **Spring Connect:** June 1

If you choose not to attend, please let Undergraduate Admissions know via your wolfPAW account.

✉ undergrad-admissions@ncsu.edu

☐ Activate Your Unity Account

Your Unity ID is your NC State username that allows you to access all of your records and services while associated with NC State. You need your Unity ID and password to access your email and campus services (e.g., eBilling, financial aid, Registration and Records).

To obtain your Unity ID:

> Log in to https://wolfpaw.ncsu.edu/ with your wolfPAW username and password. You will see your Unity ID Credentials (ID and Password) listed on the main page.

> Your Unity ID password is initially set to a default value. That is an 8 digit number composed of the last four digits of your ID number (found on the wolfPAW page) followed by your two-digit birth month and two-digit birthday (mmdd). Write down your default password.

Before you can log in to anything, you must set up security questions and create a new, more secure, password for your account. Please follow the instructions below:

> Visit go.ncsu.edu/initialpassword

> Keep your password private. It is against university policy to share this information with anyone, including a parent or legal guardian.

Every Student Must...

☐ **Complete the University Housing Application**
(Required for all first-year students, optional for transfer students)

Living on campus is an essential part of the Wolfpack experience; that's why students are required to live on campus their first year. However, transfer students are not required to live on campus and other exceptions can apply for first-year students.

Once you have been offered acceptance at NC State, you can complete a University Housing application. This process is done through MyPack Portal using your student ID number (can be found on your acceptance letter from Undergraduate Admissions).

The housing application will go live for Fall 2023 new students on February 6, 2023 at 9:00am.

Select a Preferred Roommate

Students who apply early have the opportunity to select a preferred roommate. Roommate requests must be mutual in order to be considered.

University Housing does its best to accommodate roommate requests but they are not guaranteed.

Housing assignments are typically made based on the date a completed housing application is received.

Check out our 15 Living and Learning Villages!

Living and Learning Villages provide on-campus residents with an additional community based on interests, goals, and lifestyles. There is no additional cost to join a village but the benefits are endless.

If you do plan to apply for a village, there are additional questions for each community within the housing application.

If You Need/Choose To...

☐ Apply for Scholarships and Financial Aid

The Office of Scholarships and Financial Aid (OSFA) assists students with applying for and securing financial assistance. You will be offered the best funding options available to you depending upon the timing of your application for aid, your level of financial need, and availability of funding.

Financial Aid:

*(*not applicable to international students)*

The Free Application for Federal Student Aid (FAFSA) is available each October 1. Students who wish to be considered for federal, state and institutional financial aid must submit a FAFSA. NC State University has a priority filing deadline of March 1. However, due to the high number of FAFSA applications received, grant funding is awarded on a first come, first served basis. Therefore, it is important to submit the FAFSA and any other requested information as soon as possible. Complete the FAFSA at: https://fafsa.gov

Scholarships:

Once you are offered acceptance to NC State University, you can begin applying for scholarships via our scholarship portal, PackASSIST. For more information, including deadlines, and to log on using your unity credentials, visit: https://go.ncsu.edu/PackASSIST

Every Student Must...

☐ **Create Student Personal Identification Number (PIN)**

All students will be required to create a four-digit Personal Identification Number (PIN) in MyPack Portal in order to access student financial and academic records via phone.

> Log in to MyPack Portal.

> Go to Student Homepage > Personal Information tile > Student PIN.

Detailed instructions are available at https://studentservices.ncsu.edu/your-resources/privacy/student-pin/

> To learn more about your academic records and the laws that protect them, visit https://policies.ncsu.edu/regulation/reg-11-00-01.

☐ **Provide Admissions with an Official Final Transcript**

You must submit an official final transcript from al institutions you attended prior to enrolling at NC State. Final acceptance is contingent on your maintaining a level of academic performance that is equal to or better than your previous academic record.

> Failure to submit an official final transcript will cancel your enrollment

> Your official final transcript must include your final grades and graduation date. Contact your school to have your transcript sent electronically or by mail to the Office of Undergraduate Admissions.

> **All incoming Fall 2023 students must submit an official final transcript by July 15, 2023.**

☐ Take Placement/Skills Assessments

First-year students:

To ensure you are registered in the appropriate courses, placement/skills assessments are offered - and some required - in certain subjects such as math, English, chemistry, and foreign languages. To learn more about these assessments, visit: https://newstudents.dasa.ncsu.edu/firs year/placement/

Transfer students:

> Placement testing for math may not be required if you have certain transferable math credit. Refer to the Math Placement website to determine if you should take the placement test.

> Transfer students should review the transfer policies of the First-Year Writing Program

> Based on your needs you may be required to complete placement tests in chemistry and/or foreign languages

> To learn more about these assessments, visit https://newstudents.dasa.ncsu.edu/transfer/placement/ or https://math.sciences.ncsu.edu/mathplacement/

☐ Register for first semester courses after academic advising

At NC State, course registration for new students takes place using the online MyPack Portal system and can only be done after completing academic advising. Learn more on the New Student Advising and Course Registration webpage.

To ensure timely registration and the greatest course availability, you should follow instructions from your advisor, as well as meet the deadlines for placement testing and submission of transcripts and test scores.

☐ Access Your Tuition and Fees Information

Some or all instructional formats for all or part of the 2023/2024 academic year may change due to the public health emergency caused by the COVID-19 pandemic. As has always been the case, tuition and fees are charged at the beginning of the semester and will remain in place regardless of any changes in instructional format. Tuition and fees will not be refunded in the event that instructional format changes for any part of the 2023-24 academic year.

Students and parents who have been granted access* will use MyPack Portal (https://mypack.ncsu.edu/) to view eBILLs and other student account information. Bills are not mailed.

> You must make a payment, have a sufficient payment plan or have adequate approved and accepted financial aid prior to the deadline.

> Student account information is on the Student Homepage, select the Student Accounts tile. Items are listed on the left.

> Tuition and Fees must be paid by the date posted on your billing statement to avoid class schedule cancellation.

> Fall billing is in July

> Spring billing is in November

> *Grant parental access to student accounts through the MyPack Portal. Details are at go.ncsu.edu/parentaccess

> Sign up for direct deposit through the MyPack Portal to receive refunds. Details are at go.ncsu.edu/directdeposit

☐ Grant Parent/Guardian Access to Your Records

You can give your parent or guardian online access to view your financial (billing/payment) and academic information (schedule/grades):

> **>** Log in to MyPack Portal (https://mypack.ncsu.edu/)

> **>** Go to Main Menu > Student Self Service > Campus Personal Information > Parent/Guardian Access. Detailed instructions are available: https://studentservices.ncsu.edu/your-resources/privacy/parent-access/

> **>** To learn more about your academic records and the laws that protect them, visit https://policies.ncsu.edu/regulation/reg-11-00-01

☐ **Update Your Contact Information or Preferred Name**

Updating Address or Phone Number

It is very important that your address and phone information are kept current with the university.

> Log in to MyPack Portal. Go to Student Self Service > Personal Information > Address or Contact Details.

> Sign up to receive WolfAlert emergency text messages, which may be sent during campus safety emergencies

Updating Preferred or Non-Legal Name

While a person's legal name is used by default, NC State University recognizes that, as a community, many of its members use names other than their legal names to identify themselves. If you designate a 'Preferred Name', it will appear instead of the legal name in many university systems and documents (e.g., your Wolfpack One Card).

> Log in to MyPack Portal > Student Homepage > Personal Information tile > Select the 'Preferred Name' line > Edit the 'First Name' box > Select 'Save'

> Learn more about the 'Preferred or Non-Legal Name' system at https://studentservices.ncsu.edu/your-resources/privacy/preferred-name/

☐ **Review Campus Parking/Alternative Transportation Information**

Parking on campus requires a valid NC State Parking Permit. Permits are sold online beginning in early July for fall semester and late November for spring semester. Eligibility to purchase a permit is based on a student's credit hours on file with   egistration and Records. Freshmen may purchase a parking permit; however, freshmen will only be eligible to park in the RS-Resident Storage lot which is approximately 380 spaces.

Alternative transportation options include:

> Wolfline campus bus system

> GoPass access card to ride city/regional transit

> LimeBike Bicycle share program

> Personal Bicycle (registration mandatory)

☐ **Keep Your Computer and Information Safe**

Be careful about what information you share on all of your devices and **never** share your password with anyone, even your parents.

> Phishing attacks are common on campus. Delete all messages requesting your password or other personal information. Never share your password with anyone for any reason, including the NC State Help Desk or other IT staff.

> Be wary of messages that sound too good to be true, such as unsolicited job offers or prize drawings you did not enter.

> Password-protect all devices, including smartphones and tablets. Install reputable anti-malware protection and apply software patches and updates as soon as possible.

☐ **Consider Participating in One of NC State's Additional Summer Programs**
(Does not apply to students whose first semester is Spring)

There are a number of optional supplemental programs offered to assist students in their transition to the university. Consider participating in one
(or more) of the following:

LGBTQ Symposium
Open to all first-year and transfer students

The LGBTQ Symposium is a half-day welcome and community-building experience designed to provide incoming students with information about the LGBTQ Pride Center, annual events, and ways to get involved. Students will learn about LGBTQ+ student organizations on campus, opportunities to volunteer through the Pride Center, and LGBTQ+ resources in the local community.

Incoming students will get a chance to connect with each other and hear from returning students about what it's like to be LGBTQ+ at NC State. This annual event is a great way for students to make new friends, enjoy free food, and have some fun. Lunch will be provided.

🔗 https://diversity.ncsu.edu/pridecenter/signature-events-and-programs/

Summer Start
Open to all first-year and transfer students

Summer Start helps new students transition to NC State through fi e weeks of online college courses and virtual community-building during Summer Session II. In addition to up to eight credit hours of online coursework, many optional social, academic, leadership, and service programs will be offered virtually. Summer Start will provide a strong virtual introduction to the culture of NC State and a jump start on your academic degree requirements with a smaller community of your peers.

🔗 https://newstudents.dasa.ncsu.edu/summerstart/

Symposium for Multicultural Scholars
Open to all first-year and transfer students

The Symposium for Multicultural Scholars is a summer educational and transitional experience for students from historically underserved populations. Its purpose is to foster a sense of community for incoming first- ear and transfer students and provide them with information about campus support, personnel, and resources as a basis for helping ensure their academic, social, and emotional success at NC State.

First Year Inquiry (FYI) Abroad
Open to all first-year students

The FYI Abroad programs are 2-week programs that merge the high impact experiences of a first-year inquiry course and study abroad. Students earn 3 GEP credits that count towards their degree before the start of their first semester on campus. Students will be immersed in inquiry-guided learning, led by NC State faculty, utilizing the historic and beautiful cities of their program location, Prague or Buenos Aires, as their classroom. Students are advised to select their program based on academic interest.

Wolf Camp & Wolfpack Bound
Open to all first-year and transfer students

Wolf Camp and Wolfpack Bound are outdoor adventure programs, offered by Wellness and Recreation, for incoming students. These trips give students the chance to meet other new students before they start school with while trying outdoor activities like camping, kayaking, biking, and hiking; having campfires with s'mores; games to get to know other new students; and meeting returning student trip leaders.

Both trips are beginner-friendly and no outdoor experience is required. The registration fee covers transportation, food, equipment, and experienced leadership by Wellness and Recreation Outdoor Adventures staff. Learn more online.
